SUMMARY

- Nine years of public sector experience at the Victorian Department of Treasury and Finance
- Bachelor's degree in Finance from the University of Western Australia with a distinction average
- Undertaking a Masters degree in Public Policy at the University of Melbourne
- Advanced financial modelling in Excel; developing proficiency in R for data analysis

PROFESSIONAL EXPERIENCE

Senior Analyst, Victorian Department of Treasury and Finance *2017 - 2026*

- Delivered commercialisation transactions for government assets, including the VicRoads Registration and Licensing division and Land Use Victoria, spanning financial analysis, valuation, policy development, legislative amendment, commercial structuring, procurement, people management, recruitment, contract management, budget management and framework design.
- Authored formal briefings and Cabinet submissions facilitating these projects, managing the interface between external advisers and government decision-makers.
- Produced an asset valuation relied on for a significant figure in the published State Budget.
- Developed two original policy reform proposals that were considered by the Treasurer's office.

Investment Banking Intern, LinQ Group *2016*

- Supported financial analysis, company research and the preparation of client presentation materials.
- Assisted with the year-end accounts rollover for an ASX-listed entity.

AWARDS

- Inflection Points Writing Prize, runner-up, for an independent policy essay on reforming Australia's long service leave system, 2026.
- Commercial Division Outstanding Achievement Award for developing a proposed commercial framework for the revival of the State Electricity Commission, 2022.
- Commercial Division Outstanding Achievement Award for reform option development on a Cabinet-in-confidence project, 2019.

RELEVANT EDUCATION

- Masters of Public Policy and Management, University of Melbourne, current.
- Centre for Effective Altruism, Make your high-impact career pivot bootcamp (priority group), 2026.
